# About Us

---

**Rupani Development Initiatives (RDI) is a group of companies dedicated to elevating the quality of life for individuals and communities in need. Our persistent commitment extends to individuals and communities of all backgrounds, faiths, and genders, as we strive to foster a positive and lasting impact in their lives.**

**Nasruddin Rupani**  
*Chairman, RDI*

## Rupani Development Initiative

**RDI comprises two distinct yet interconnected pillars, our foundation pillar focuses on non-profit initiatives, while our impact investment arm pillar, Apex & Co, drives sustainable change through innovative and socially responsible investment strategies.**

### Rupani Foundation

**Rupani Foundation (RF), our non-profit pillar, acts as a catalyst for change by promoting sustainable and inclusive development. Through strategic initiatives in Early Childhood Development (ECD), Education Livelihoods, and Social and Economic Welfare, we empower communities to overcome obstacles and embrace a future of prosperity.**

[rdi.world](http://rdi.world)

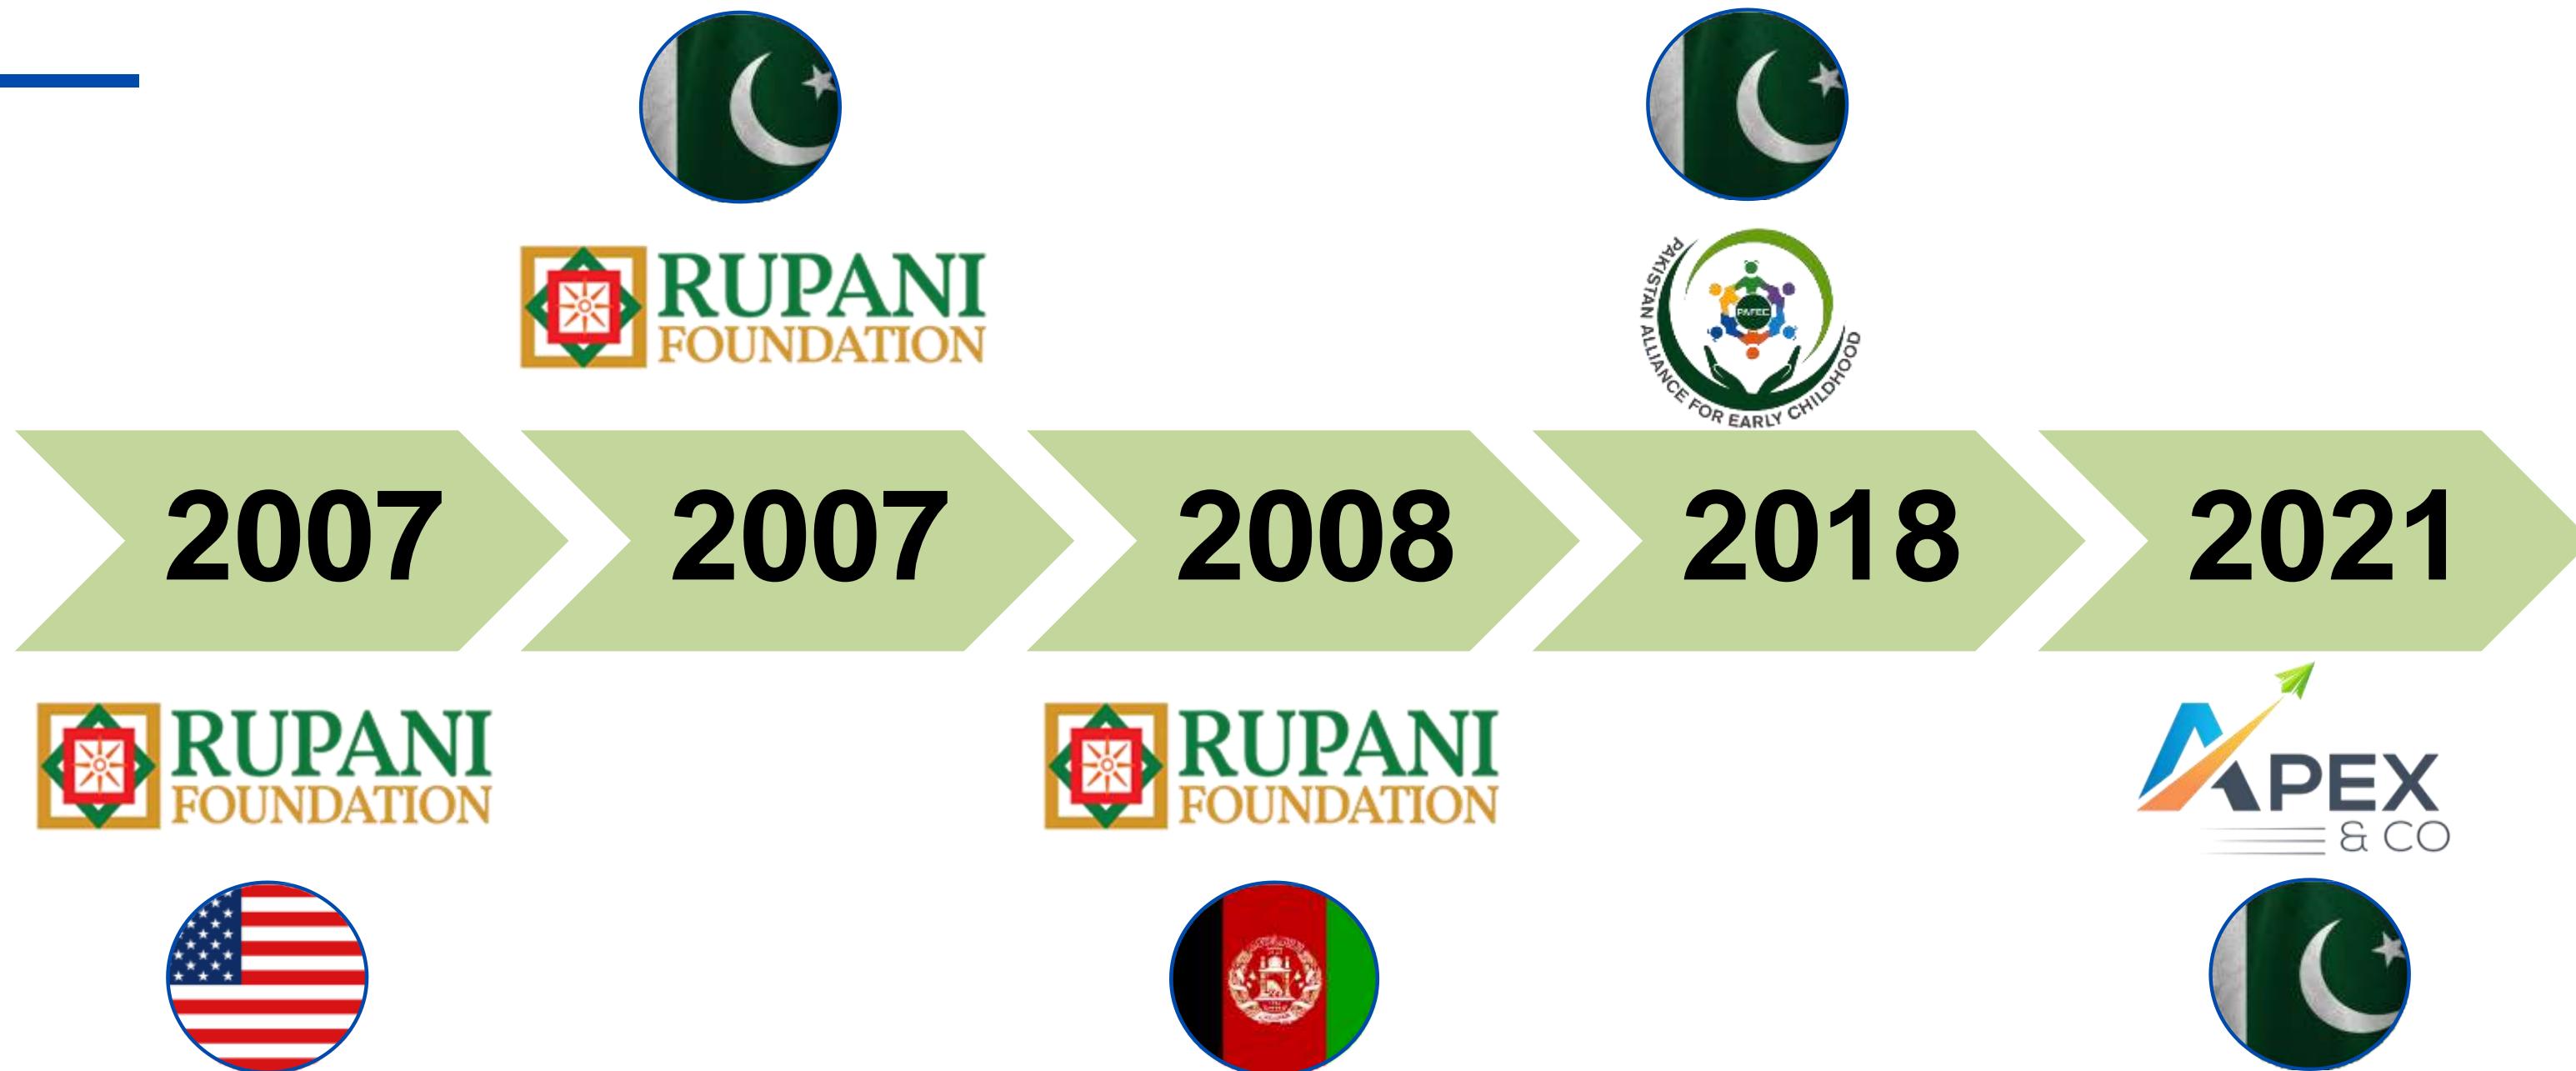

### Apex & Co

**Apex & Co, our impact investing pillar, merges innovation and social responsibility. Our investment strategies embody principles of sustainability, ESG (Environmental, Social, and Corporate Governance), and social entrepreneurship, driving positive change through responsible and ethical business practices.**

# Timeline and Footprint

# Rupani Foundation

The Rupani Foundation is strategically positioned as an integral part of the Rupani Development Initiatives (RDI). These initiatives are unique in scope and adapt an approach that combines and leverages social and economic development to address the complex underlying aspects of development with the objectives of bringing a positive change in the lives of people in target geographies in Pakistan, Afghanistan, and the USA.

**Vision:** To create a sustainable society for future generations.

**Mission:** To create long-lasting solutions to poverty by enhancing skills through value addition in local resources and promote the holistic development of children by providing educational and ECD services.

# Key Interventions

**Al-Shifa Eye Trust  
Hospital, Gilgit**

**Pakistan Alliance for  
Early Childhood,  
Islamabad**

**Centre of Excellence  
for ECD, Islamabad**

**ELM Centres and  
Agah Walidain  
Schools, Pakistan**

# Areas of Intervention in Pakistan

## Early Childhood Development (ECD)

Provide a solid foundation for a child's future learning, health, and overall well-being.

## Education

Enhancing education by improving school facilities, providing quality teacher training, and ensuring access to technology.

## Mental Health

Promoting mental health through open conversations, empathy, and seeking professional help.

## Natural Resources Management

Promote sustainable natural resource management through conservation efforts, and reforestation projects.

## Economic Inclusion

Promoting economic inclusion through education, training, and access to capital.

## Humanitarian Assistance

Providing humanitarian assistance by delivering food, clean water, and medical aid to disaster-affected regions.

# Areas of Intervention in Afghanistan

## Early Childhood Development (ECD)

**Provide a solid foundation for a child's future learning, health, and overall well-being.**

## Food-Security and Infrastructure

**improving food security by implementing agricultural training programs, and supporting local farmers.**

## Vocational Skill Training

**offering courses aligned with local job markets, and partnering with industries for hands-on experience.**

**108 ECD Projects**

**100 Food Security Projects**

**108 Vocational Skill Trainings**

# Apex & Co

**Apex & Co is a dynamic impact investing initiative of RDI that operates with a dedicated team focused on creating scalable and profitable businesses to make a positive change in Gilgit Baltistan, Pakistan. Apex & Co identifies untapped opportunities and transforms them into ventures that improve the lives of individuals and families in the area.**

**Vision:** To become the preferred choice for impact investors, bridging the gap between the public and private sectors and bringing responsible investments to Gilgit Baltistan.

**Mission:** To foster sustainable socio-economic development in Gilgit Baltistan while promoting responsible investments.
